Sakura's Problem

STORY.

Yuki and Sakura have no memories of their past, who they are or where they come from. They only know that they possess a mysterious power which comes from certain "stones", and that there are many more of these stones which they must find. Yuki owns Vectalyte, which is able to locate other stones. Sakura possesses the stones: Opal, with abilities to fly. Topaz, which grants invulnerability/immune properties to objects and Lichia (* Spodumene), which allows the bearer to transform identities. With these powers, the two have traveled across worlds in order to search for the only link to their past - the Stones.

* Spodumene: The stone's name is Spodumene, but referred to as Lichia in the story

Ohay

It's a restricted area !

The top of the tower is dangerous, don't go climbing up now, will you ?

You'd probably lost the phone, but it was only that one time.

We're still not around any pressure of the tower that we're building for

We've been on this planet before, for a while now,

and it's been a while now since we've been here,

There's a lot of things that we can do, but we're not sure if we can do them all.

There's a lot of things that we can do, but we're not sure if we can do them all.

It was the
same with

It was
always right in
front of

I never
noticed it

Maybe
there's a
different
method for
finding them

Can you
find them

But still, I have
to keep searching

Are you still thinking about the others?

You'll tire yourself out if you keep pushing yourself!

Just a little more and I could have won it.

Vassalyria can't detect anything without going all out!

How can I possibly rest!

I don't want any more!

How can you be so loud back?

I'm full!

You've not finished yet!

There's

I'm sorry. I need to talk to him.

I'm going to lock the door. Don't go out, OK, Light?

A dark haired boy in the residence, right?

Hey, stop

WHA

**JUST
WHAT ARE
YOU DOING
TO YUKI
!!**

It's not the same as Light's, right?

You're really awesome.

Being able to float and move objects like that.

Is it because of the chest power?

You can display the stone outside of your body!

Are you called Light?

What's Light?

Actually, Light.

They all want to steal the stones.

That is the reason why he is always being attacked like before.

He
doesn't
have to force
himself to
display the
strong
anyone

But it's
OK now

We
don't have
to worry
about that
anymore.

Because
Light has
found his
companion
now.

Com-
panion
?

That's
wonderful.
That's
finally
found him

That's
right,
Sakura
!

This
kid is our
companion
?

He's
the same
as us

I'm Sakura.
I have 'Opal' which
grants flying wings,
'Topaz' which gives
hearts properties,
and 'Lapis' which allows
transformation.

What
about
you?

I'm Haku.
I have the
powers of
'Venusstone',
which points
to the position
of other
stones.

I'll
start
with
intro-
duction.

We
have so
many
things we
need to
ask you

We
have
always
wanted to
find
people
like us
too.

Like
who are
we, and
what these
dreams
are?

I have
wanted
to meet
you

I can
imagine

meet
you.

Because
I also
wanted
to not
think about
things when
I met other
people
like me.

I'm
sorry
I didn't
think I
can help
you.

For
some
reasons
I

Well

Please
tell us
everything
you know!

I only
remember

So
...
you
...
also
don't
remember?

Hey,
Dad.

What
are those two
suspending
in mid-air
outside
doing?

Probably
practicing
a trick

One
?

*The
sticker
was
originally
one.*

That was
the man
mean that
he was
traveling
with us to
the final
place

Light
has
found
his
cousins.

Wow,
what a
mad
man

*I think
I lost
my voice
when I fell
down.*

*I have a
lingering
memory of
falling
from some
place*

*But
it's no
secret
or a
dream.*

*I
will
have
my
memory.*

*Your
voice*

I still
remember
the sound
of my
mother

I also
remember
your face
after
I died

I used
to be
able to
talk

That
you
told me,

that the
stars
are our
ancestors

But I have
no need
for it now

Although I lost my
memory
many years!

I am
still
able to
remember
how that

MAY

I want
to give
you
to you.

Chapter 3

Waste
to grow
up like
this!

*I was looking for someone
that I could
give the stone to*

*I was hoping
that I can
give it
to you.*

Wasn't
you
searching
for us for
that very
purpose?

What's wrong,
Sam?

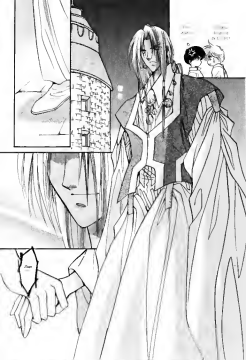

It was
really
terrifying
today.

Don't
bother
with me
and
get some
rest!

It's
only right
for you to
leave
here.

It's
OK,
Lyle.

It is going
to be very
difficult
to stay in
the temple
if I give
up the
stone, but

I'm not
going to
leave
here.

I don't
like it for you
to become
an orphan
once either

I just
wanted to
give the stone
to them
so I was
temporarily
keeping it.

I'm choosing to be free.

I don't want to know my past, and I don't want to be tied with the stone.

I will try to balance on land, or jump through Caro's legs.

As long as I can join the troops, I'll do whatever M. Sakon.

Join the troops?

Yes.

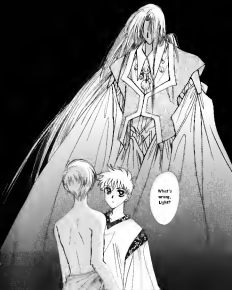

I want to stay here.

*Because I believe that,
even if I'm
unable to
speak, we
will still
understand
each other.*

What's
wrong,
Light?
